

ELOÉ™

Everything just **ADDS** up

THE GLOBAL SPECIALIST
IN ELECTRICAL AND DIGITAL BUILDING INFRASTRUCTURES

 legrand®

ADD DETAILS that matter

Good design doesn't always have to be complex. With **ELOÉ™**, it combines details that make sense and add to the overall experience – for both users and installers.

FLEXIBILITY

Oblong shaped holes ensure flexibility for easy adjustment when the switch is not straight.

GLOSSY FINISH

Smooth glossy surface makes cleaning fuss-free.

COMPLIANT WITH STANDARDS

ELOÉ™ is designed to meet international standards – IEC and BS.

EASY TO ORDER

1 catalogue number =
1 complete product

SAFE AND FAST INSTALLATION

No access to metal parts ensures your safety during installation. The one-piece plate/mechanism also means that installation can be completed in three simple steps.

LARGE ROCKER

Ergonomically designed for a great user experience

SUBTLE CURVES

Rounded corners and curves add a touch of elegance.

STRONG PROFILE

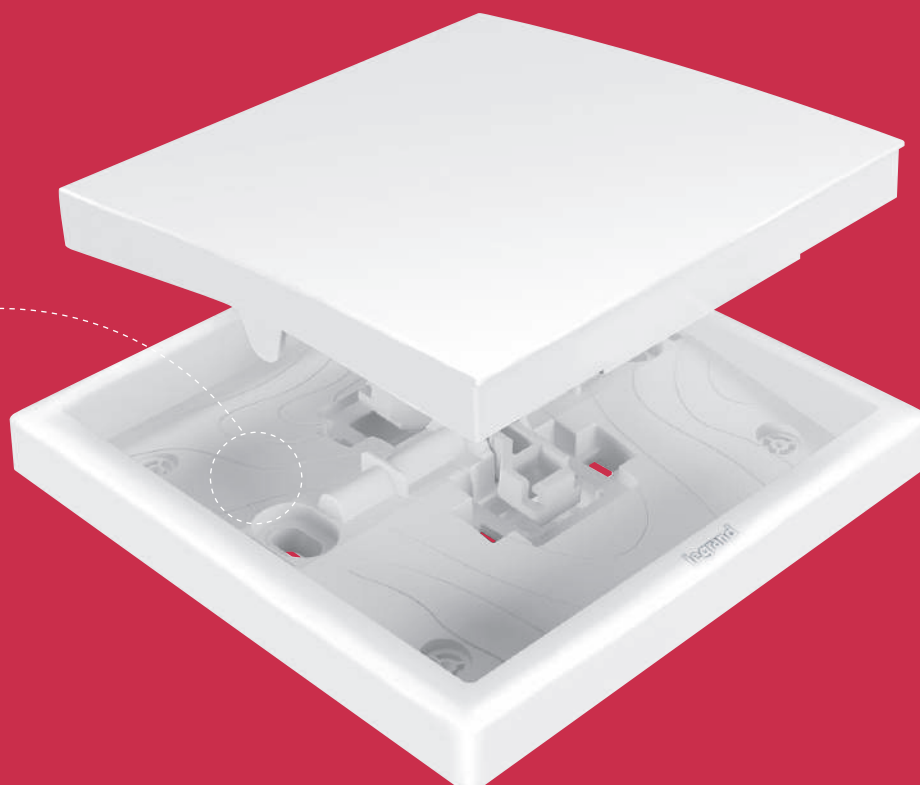

Clean lines and a distinct shape enhance the visual appeal of **ELOÉ™**.

Superior design and quality

DESIGNED TO LAST

Even the concealed functional parts have been carefully designed.
